Each room has its own bathroom, a Super king size bed (all can be made up as double or twins plus the option of 2 extra beds on request*) with down surround pillows and the ultra-warm and soft feather duvets, encased in the most luxurious 400 thread count Egyptian cotton linen. UPPER-FLOOR LIVING SPACES

The upper floor is a truly jaw dropping space – a circular open-plan room that incorporates a kitchen, dining room and sitting room into one sun-drenched communal area. Surrounded on all sides by nothing but glass your eye is drawn inexorably outwards towards the mesmerising sea. With your uninterrupted birds eye view of the stunning Fistril beach and wide blue ocean beyond, you'll struggle to tear your gaze away - especially if its stormy!

Dining table that seats 10, a state of the art sleek white kitchen with all mod cons, and an ample comfy sitting area with desk and TV. Kitchen has a breakfast bar and additional card/breakfast table nearby.

Surrounded on all sides with a wrap-around balcony - If the weather is kind, open up onto the huge 120m2 sun terrace with seating area and decadent hot tub. Definitely worth cracking open a bottle of something to watch the sunset from here.
